Professional Experience

Managing Member: TenSquare, LLC, Washington, DC (2011 to date)

Founder and managing member of TenSquare. Based in Washington, DC, TenSquare is a national educational advisory services firm specializing in helping schools improve performance, acquire and finance sites and facilities, and achieve overall educational and growth objectives. In addition to working with schools in nine states, TenSquare works with the U.S. Department of Education, State Education Agencies, foundations and advocacy groups to enhance the performance of public education locally and nationally. TenSquare also supports charter school authorizers to facilitate school closures, when necessary. TenSquare is currently serving as the Closing Administrator for three Nevada Public Charter Schools—Teach Las Vegas and Eagle Charter Schools of Nevada and Battle Born Academy—and previously served as Closing Administrator and Court-Appointed Receiver for Quest Preparatory Academy and Silver State Charter Schools.

Co-Founder, President and Chief Executive Officer: Thurgood Marshall Academy Public Charter High School, Washington, DC (August 2000 to 2011)

Co-Founder and Head of School overseeing, managing and operating all aspects of academic program, budget and financing, public and media relations, fundraising, information technology and facilities management; led original acquisition, financing and development of TMA: TMA is widely recognized as an anchor institution in its neighborhood and a national model for both educational reform and operational excellence; under Josh's results-oriented leadership, the school standards-based, law-themed, college preparatory design produced quantifiable student and educational achievement in his eleven year tenure at the school.

Senior Consultant: Prospective Technology Corporation, Vienna, VA (1997-1998)

Let consulting team responsible for redesigning systems, procedures and workflows of the provisioning department of MCI Telecommunications, including proposals for improvements in systems, project budgets and training of MCI employees.

Manager: American Management Systems, Inc. (AMS), Arlington, VA (1995-1996); Portland, OR (1996-1997)

Assisted in large-scale implementation of AMS integrated accounting and financial software at the US Department of Agriculture, including development, testing and maintenance of intranet website and serving as point of contact for all USDA regional office employees for this implementation.
