Agenda Item 1 – Call to Order and Roll Call.

Kurt Thigpen, Chair of the State Public Charter School Authority (SPCSA), called the meeting to order at 9:00 am on July 31, 2026, and led the Pledge of Allegiance.

**NEVADA STATE PUBLIC CHARTER SCHOOL AUTHORITY
MEETING MINUTES**

Agenda Item 2 – Public Comment #1

1. None

Agenda Item 3 – Public Hearing [00:01:52] Samantha King Powell, General Counsel on behalf of the State Public Charter School Authority (SPCSA), held a public hearing in compliance with the procedures for adjudication of contested cases under NRS 233B to make a final determination regarding the Notice of Termination of 100 Academy DBA FuturEdge Charter School (FuturEdge) as approved by the SPCSA Board on June 26, 2026, in accordance with NRS 388A.330.

The State Public Charter School Authority Board considered the following:

1. Whether FuturEdge is financially impaired such that it cannot continue to operate. The school has failed to meet its bond obligations, faces the potential loss of its current facility as a result of the bond default, and does not presently demonstrate a financially sustainable path to continued operation;
2. Whether the FuturEdge governing body has failed to maintain a legally compliant board capable of exercising the independent oversight, financial stewardship, and operational authority required by Nevada law and the charter contract;
3. Whether FuturEdge’s EMO has exercised control over school operations and decisions reserved to the governing body under Nevada law and the charter contract, in direct violation of NRS 388A.393. The Notice shall provide FuturEdge until Monday, July 27, 2026, to cure the identified deficiencies. The SPCSA Board will hold a public hearing on July 31, 2026, to determine whether FuturEdge has corrected the deficiencies to the satisfaction of this Board and, if not, whether to terminate FuturEdge’s charter contract pursuant to NRS 388A.330.

To cure the Notice of Termination, FuturEdge was required to provide the following by Monday, July 27, 2026:

1. Facility. Find, execute and provide evidence of a fully executed lease for a new facility in the same zip code as the school’s current campus. The proposed facility must have sufficient capacity and amenities to serve the school’s current student population, educational program, and must be financially sustainable based on the school’s projected revenues and expenses. Alternatively, the school may provide proof that the bond has been paid in its entirety, without incurring additional debt.
2. Governing Body. Establish and maintain a legally compliant governing body that satisfies the requirements of Nevada law, the charter contract, and the school’s governing documents and is capable of independently exercising its fiduciary, financial, and operational oversight responsibilities.
3. EMO Agreement. Terminate the school’s contract with Support Solutions Services (“SSS”) and provide SPCSA with documentation confirming that SSS no longer has authority or access to make financial, banking, operational, or governance decisions on behalf of the school.

4. Budget. Adopt and submit a governing-body-approved budget reflecting the costs of the new facility, all anticipated revenues and expenditures, the school's bond and other debt obligations, and a financially sustainable plan for continued operations.

MOTION REGARDING ALL GROUNDS OF TERMINATION

Member Addis moved that, in the matter of SPCSA v. FuturEdge, based upon a preponderance of the evidence, the following grounds for termination have been proven: (1) FuturEdge is financially impaired such that the charter school cannot continue to operate; (2) FuturEdge materially breached its charter contract and failed to comply with Nevada law by failing to maintain a legally compliant governing body; and (3) FuturEdge failed to comply with NRS 388A.393 because Support Solutions Services exercised control over the school's bank accounts and financial decisions. Vice Chair Whitaker seconded the motion. The motion carried unanimously.

The motion was approved.

MOTION REGARDING FINDING OF FACTS FOR CURE ITEM 1: FACILITY AND BOND

Member Turner moved to approve the finding of fact that the SPCSA Board finds, based upon a preponderance of the evidence, that FuturEdge did not complete Cure Item 1 by July 27, 2026. FuturEdge did not provide evidence of a fully executed lease for a new facility meeting the requirements of Cure Item 1, or proof that the bond had been paid in full without incurring additional debt. Member Addis seconded the motion. The motion carried unanimously.

The motion was approved.

MOTION REGARDING FINDING OF FACTS FOR CURE ITEM 2: GOVERNING BODY

Vice Chair Whitaker moved to approve the finding of fact that the SPCSA Board finds, based upon a preponderance of the evidence, that FuturEdge did not complete Cure Item 2 by July 27, 2026. FuturEdge did not establish and maintain a legally compliant governing body that satisfied Nevada law, the charter contract, and the school's governing documents and was capable of independently exercising its fiduciary, financial, and operational oversight responsibilities. Member Aldaba seconded the motion. The motion carried unanimously.

The motion was approved.

MOTION REGARDING FINDING OF FACTS FOR CURE ITEM 3: SSS AGREEMENT, AUTHORITY, AND ACCESS

Member Addis moved to approve the finding of fact that the SPCSA Board finds, based upon a preponderance of the evidence, that FuturEdge completed Cure Item 3 by July 27, 2026. Support Solutions Services resigned as FuturEdge's educational management organization, ending the management relationship and its authority to act on behalf of the school. Vice Chair Whitaker seconded the motion. The motion carried unanimously.

The motion was approved.

MOTION REGARDING FINDING OF FACTS FOR CURE ITEM 4: GOVERNING-BODY-APPROVED BUDGET

Member Stern moved to approve the finding of fact that the SPCSA Board finds, based upon a preponderance of the evidence, that FuturEdge did not complete Cure Item 4 by July 27, 2026. FuturEdge did not adopt and submit a governing-body-approved budget reflecting the costs of a new facility, all anticipated revenues and expenditures, the school's bond and other debt obligations, and a financially sustainable plan for continued operations. Member Addis seconded the motion. The motion carried unanimously.

The motion was approved.

MOTION TO TERMINATE THE CHARTER CONTRACT

In the matter of SPCSA v. FuturEdge, Member Turner moved to find that the grounds for termination have been proven, as approved by the Board, and to terminate the charter contract between the State Public Charter School Authority and 100 Academy of Excellence, Inc., doing business as FuturEdge Charter School, effective July 31, 2026. Vice Chair Whitaker seconded the motion. The motion carried unanimously.

The motion was approved.

Public Hearing Adjournment 10:10 am on July 31, 2026.
