SPCSA Overview

Nevada State Public Charter School Authority
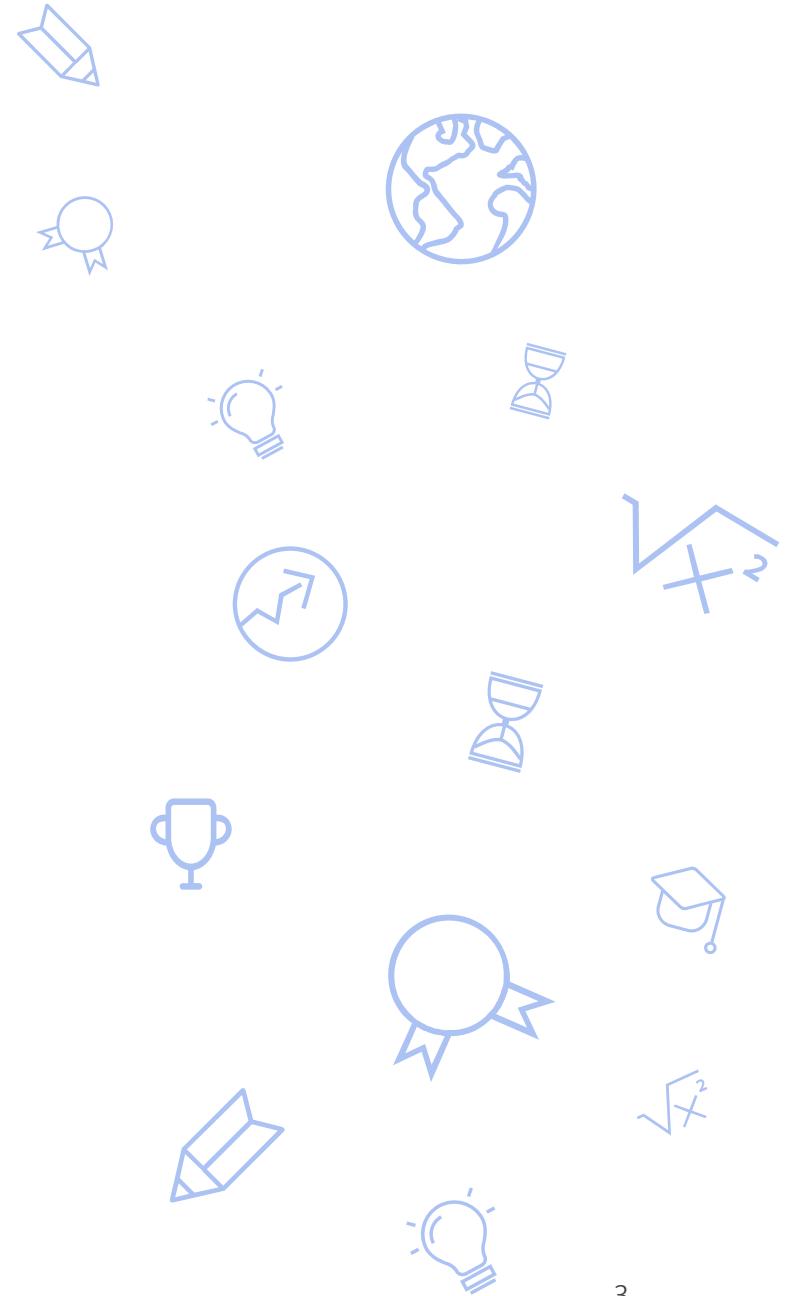

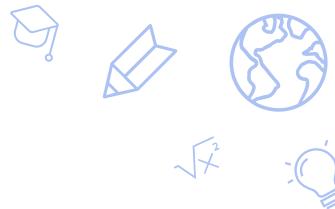

Creation and Purpose

The purpose of the State Public Charter School Authority is to:

" **Authorize charter schools of high-quality** throughout this State with the goal of expanding the opportunities for pupils in this State, including, without limitation, pupils who are at risk.

Provide oversight to the charter schools that it sponsors to ensure that those charter schools maintain high educational and operational standards, preserve autonomy and safeguard the interests of pupils and the community.

Serve as a model of the best practices in sponsoring charter schools and foster a climate in this State in which all high-quality charter schools, regardless of sponsor, can flourish. "

Strategic Plan

2025 through 2030

Nevada State Public Charter School Authority
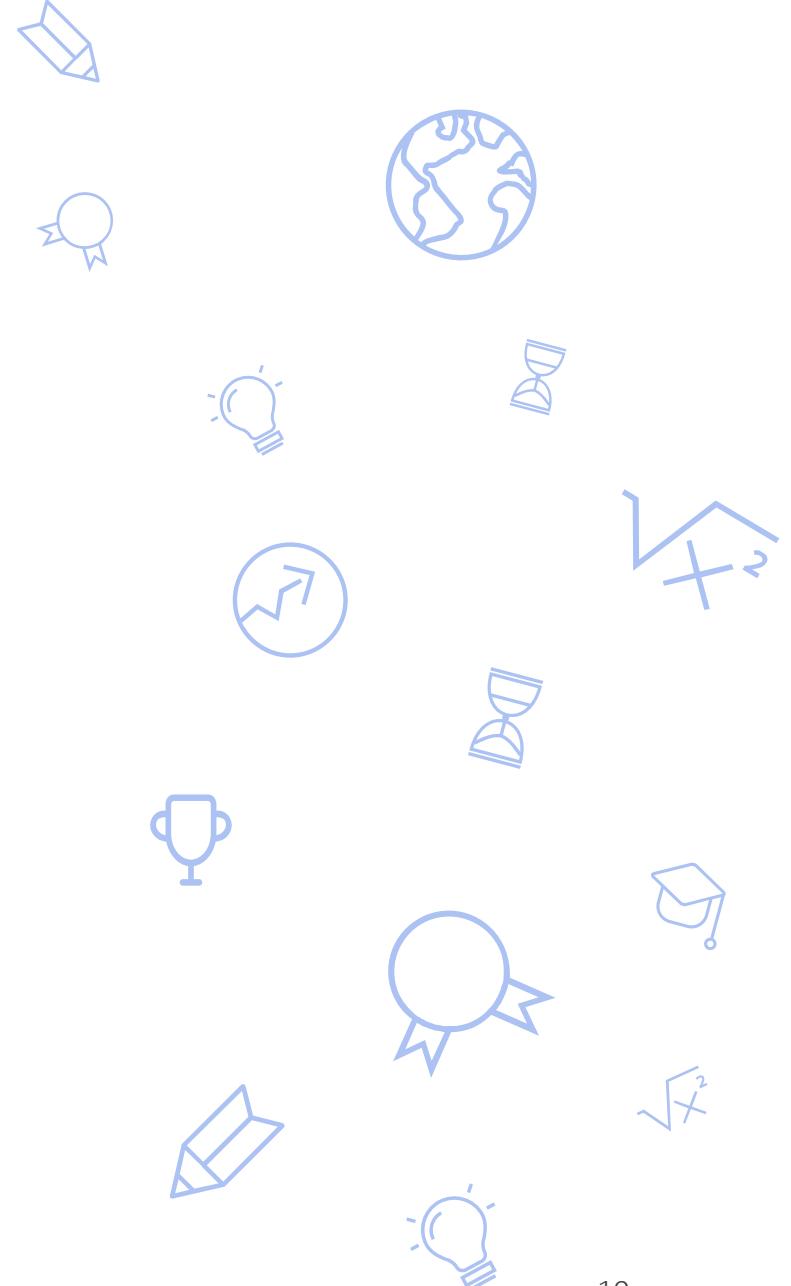

Vision

Equitable access to diverse, innovative, and high-quality public schools for every Nevada student.

Mission

The SPCSA sponsors, supports, and oversees dynamic and responsive public charter schools that prepare all students for academic, social, and economic success.

Nevada State Public Charter School Authority

STUDENT FOCUSED
We put what is best for students at the center of our work and honor the critical role that communities play in student success.

LEADERSHIP
We earn the trust of stakeholders, including state leaders, other state agencies, and charter schools, by holding our agency to the highest standards and investing in our growth and development.

EXCELLENCE THROUGH IMPROVEMENT
We establish clear, high expectations and constantly seek growth for ourselves and foster improvement for our schools.

OUR VALUES

EQUITY & DIVERSITY
We are committed to ensuring equitable access for students from all backgrounds and value the voices of all members of our community.

TRANSPARENCY
We promote transparent and open communication and make school academic, financial, and organizational performance data accessible to all stakeholders.

ACCOUNTABLE AUTOMONOMY
We give our charter schools the autonomy to innovate in the best interests of students while holding them accountable for academic results, financial performance, and legal compliance, so that students, families, and taxpayers can be confident in the quality of the schools we sponsor.

Data retrieved from the Nevada Accountability Portal. Only schools that met requirements to receive an NSPF rating (rules found here on pages 6-7) are included. SPCSA schools are included in the state data. SPCSA data do not include schools that transferred from CCSD to SPSCA sponsorship on July 1, 2025.

Academic Performance Framework

- The SPCSA adopted an updated Academic Performance Framework in 2024 that is based on:
  - School Index Score (NSPF);
  - Performance comparisons (NSPF index score) to schools in the SPCSA school's zip code;
  - Chronic absenteeism reduction; and
  - Student group performance comparisons (growth for elem. and middle schools, graduation rates for high schools).

2024-25 SPCSA Academic Performance Framework Ratings

- MEETS 28% (42 schools)
- DOES NOT MEET 12% (33 schools)
- BELOW 2% (3 schools)
- EXCEEDS 58% (86 schools)
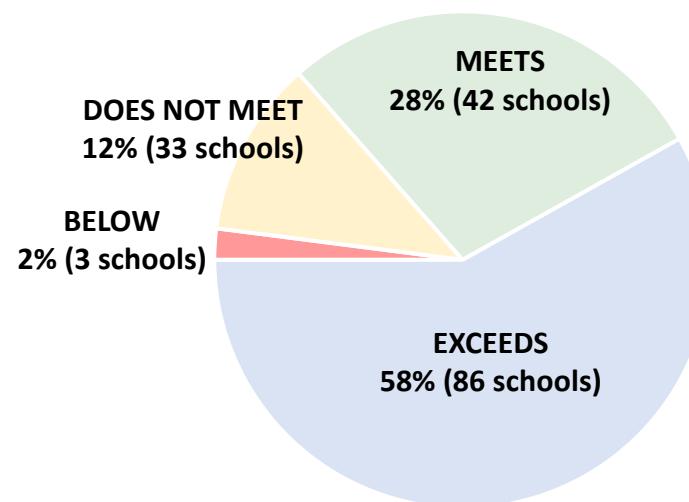

The data shown above exclude schools that did not receive a rating. The requirements to receive an SPCSA Academic Performance Framework score and rating are found here.

Site Evaluations

- The SPCSA conducts site evaluations at each school campus, at minimum, in the first, third and fifth years of the charter contract.

- Each site evaluation involves document submissions, classroom observations, and focus groups.

- For the 2025-26 school year, the SPCSA has 54 site evaluations scheduled, with 30 complete as of January 1, 2026.

Nevada State Public Charter School Authority

Organizational Performance Framework

- The SPCSA approved an updated Organizational Performance Framework (OPF) in 2024, which evaluates:
  - Compliance
    - Charter Contract
    - Governance
    - Statutes, Administrative Codes, Regulations
    - Operations
  - Quality Program Indicators
    - Education Program
    - Governance and Reporting

- The Organizational Framework is focused on answering the question: *Is the organization effective and well run?*

- For the 2024-2025 school year, 3 charter holders were found to be out of compliance and issued a Notice of Concern under the Organizational Performance Framework.

Financial Performance Framework

- The SPCSA approved an updated Financial Performance Framework (FPF) in 2024 with four near-term measures and four sustainability measures.

- The Financial Framework is focused on answering the question: *Is the school financially viable?*

- For the 2023-2024 school year, 72.1% of charter holders met standards on the Financial Performance Framework. Ratings for the 2024-25 school year will be presented at a future board meeting.

Nevada State Public Charter School Authority
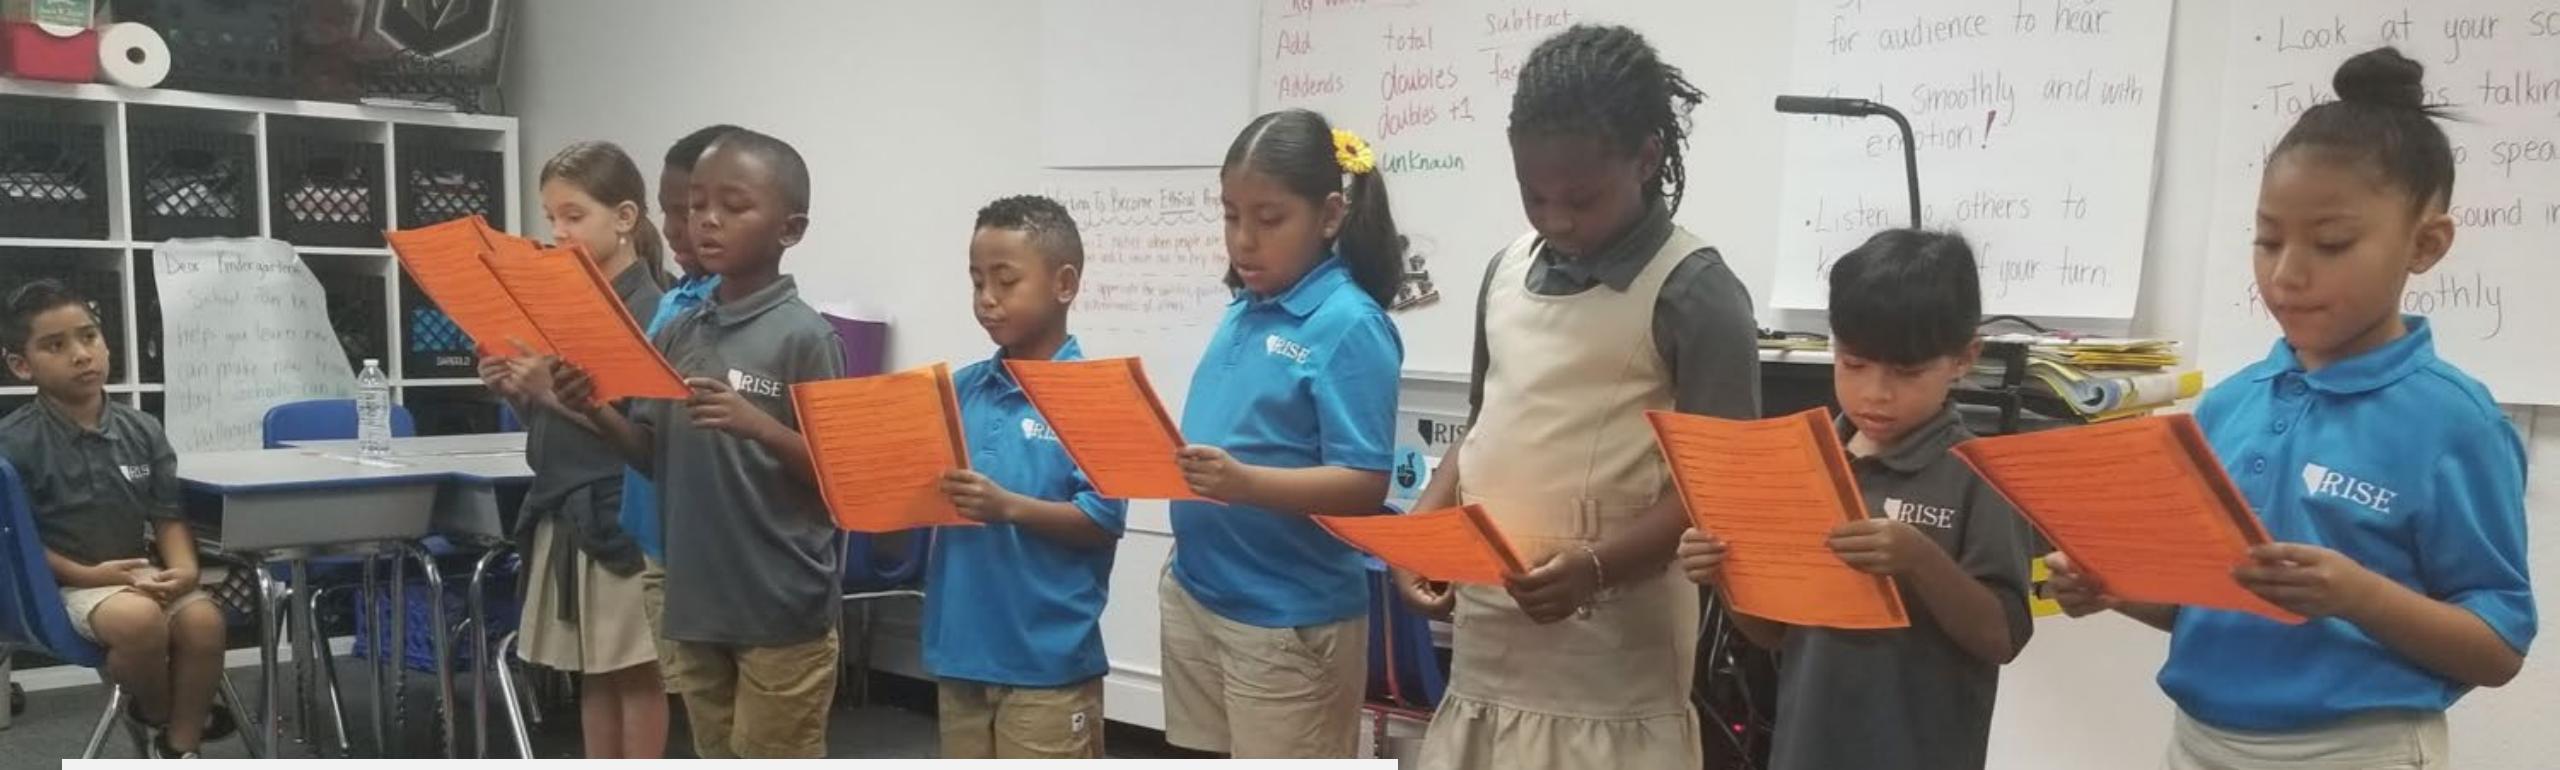

OPF and FPF Outcomes

No schools were issued notices based on the 2023-2024 school year.

The financial performance framework goal was not met. 76.9% of schools on the intervention ladder were returned to good standing or not escalated.
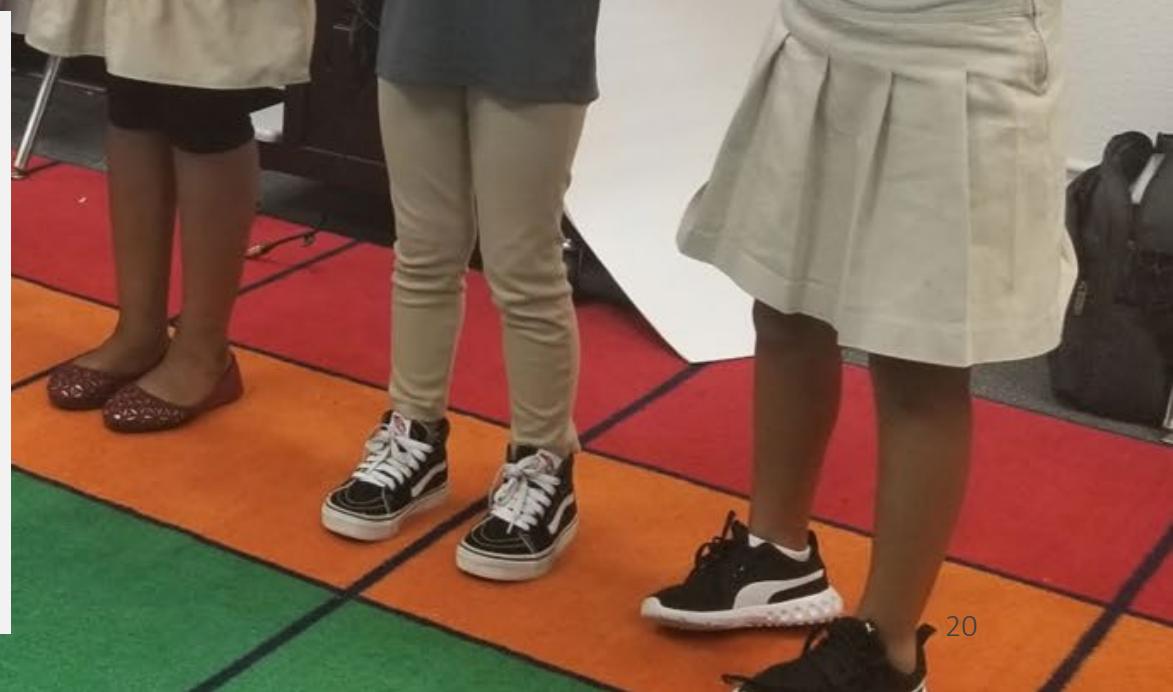

Provide equitable access to charter schools

The SPCSA aims for sponsored schools to serve a student population that is representative of the state in terms of race/ethnicity and other student groups.

The SPCSA is committed to being a responsive organization

As an agency, the SPCSA aims to have strong communication skills, adaptability, and innovation in our outputs and problem-solving. We are committed to executing plans effectively while staying resilient to challenges.

Nevada State Public Charter School Authority
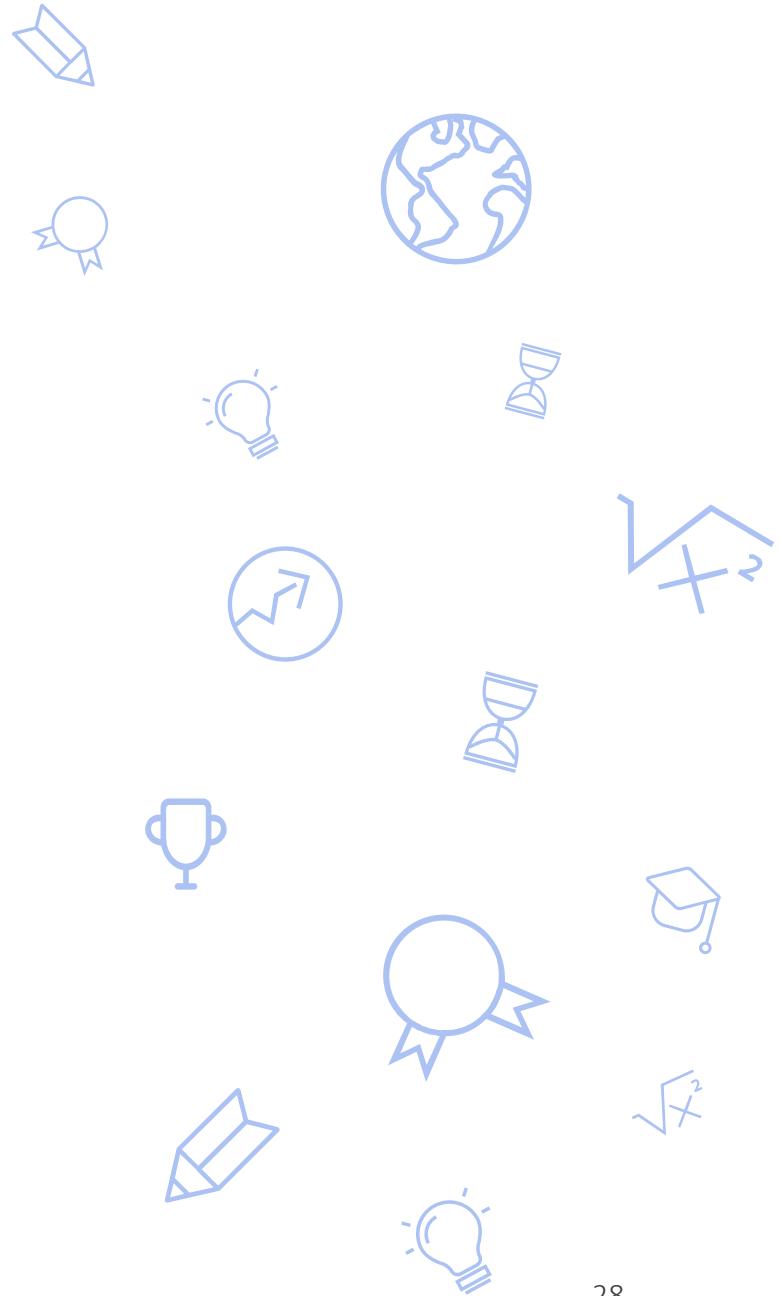

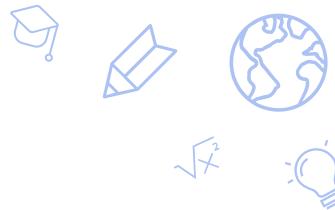

Progress Toward Goal

The SPCSA applied for and was awarded a $22,988 Financial Operating and Efficiency Grant through the Nevada Department of Education. The grant will be used to fulfill two benchmarks under goal 3:

- Develop a survey to be taken annually by stakeholders
- Develop a communication strategy to supplement the strategic plan

The SPCSA issued its first Request for Proposals for high performing charter school operators and approved one operator.

Nevada State Public Charter School Authority
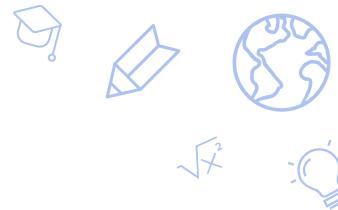

Challenges	Solutions
School closures	Implemented RFQ for proven providers who will become eligible for restart work.
Financial reporting accuracy and timeliness	Conducted multiple trainings for schools both in and out of our portfolio on state-mandated financial documents. Improving forms to make them more user-friendly for charter schools.
Special education complaint increase	Relationship building with charter school and insurance defense counsel. Collaborating with school districts facing similar challenges. Offering monthly trainings to schools.
Schools concerned about too many interruptions by on site visits	Combined site visits with Risk Based Monitoring visits.
School concerned with burdensome compliance requirements	Implemented a grace period for submissions that require corrections. Eliminated duplicative reporting requirements.
Kindergarten readiness (lack of pre-k options)	Doubled the number of Nevada Ready Pre-K seats (458 seats total) and received a competitive grant for facilities costs of $1.3million.

Data retrieved from the Nevada Accountability Portal. To protect student privacy, rates associated with populations >0 and <10 students are displayed with an asterisk (*), and rates >0 and <5, or >95, are shown as <5.0 and >95.0, respectively. N/A indicates the population did not exist. "SPCSA Excluding APF Sch." shows SPCSA rates excluding schools (noted with * in the school name) rated on the Nevada Alternative Performance Framework (APF), which serve unique populations such as students that are credit deficient.
