Amendments may be submitted anytime throughout the school year if the Authority Board grants the good cause exemption request.

Introduction

Eligibility

To be eligible for consideration of a contract amendment, a school must submit a complete and accurate Request for Amendment following the requirements, directions, and deadlines stated herein. For SPCSA staff to recommend the approval of a Request for Amendment, the school should be in good standing in all three domains of the Authority’s academic¹, financial, and organizational performance frameworks, and it must not be considered a low-performing school or otherwise ineligible according to any definition set forth in law or regulation.

For charter schools seeking to expand (i.e., adding a new campus, increasing grade levels, or raising their enrollment cap), strong applications typically include multiple years of meeting or exceeding state standards as defined by the Nevada Department of Education (NDE). Please note that charter school expansion requests must be submitted at least nine months before the proposed implementation date.

Ineligible schools may include, but are not limited to, schools that operate an elementary, middle, or high school with a 1- or 2- star Nevada School Performance Framework (NSPF) rating and/or receive a Does Not Meet Standard or Below Standard rating on the SPCSA Academic Performance Framework; schools that operate an elementary, middle, or high school program that is a priority or focus school; schools that operate high schools with graduation rates below 60%; schools with compliance issues, including participation warnings or penalties on the NSPF; and schools with financial or organizational framework deficiencies. A school that does not have at least one independent financial audit and one year of academic performance data is ineligible to apply for an expansion amendment.²

Types of Amendment

Requests for contract amendments that must be approved by the SPCSA board generally fall into one of the following categories, as outlined in [NRS 388A](#) and [NAC 388A](#).

- Enrollment adjustment:
 - Expand enrollment in existing grade levels
 - Expand enrollment in new grade levels
 - Reduce enrollment in existing grade levels
 - Eliminate a grade level or other educational service
- Add/adjust educational program components:
 - Distance education
 - Dual credit
- Management Organizations:
 - Entering into a new contract
 - Terminating the current contract
- Facilities:
 - Acquire/construct a new facility

¹ A charter school that is rated in the lowest 5% of public schools, receives a 1- or 2-star rating, or has a graduation rate of less than 67% is eligible to apply for certain amendments identified in [NRS 388A.367](#).

² Except if the Authority approved the school as an EMO replication of a high performing charter school in another state, or the operator applied as a CMO applicant and has replicated a high performing charter school model from another state.

- Occupy a new or additional facility
- Occupy a temporary facility
- Consolidate existing locations
- Closure of a campus within a charter network
- Other:
 - Change the mission statement, vision, or goals
 - Change the name of the school
 - Change conditions in the original or most recent contract
 - Transportation

If a charter school’s governing body seeks to amend its contract in a manner not explicitly listed above, it must submit a written request to the sponsor for a determination of whether the proposed change constitutes a material or nonmaterial amendment.

Requirements When Submitting a Request for Amendment

Notice of Intent

Any school interested in an amendment to its current charter contract must submit a Notice of Intent as part of the Fall or Spring Cycle. If the amendment is submitted outside of those cycles, it must include a Good Cause Exemption Request.

Application Submission Requirements

- Amendment requests must be developed using the templates provided.
- Completeness Check: Amendment requests will be vetted for completeness, including the submission of required attachments and confirmation of eligibility for the request.

Evaluation Process

Evaluators

Requests for charter contract amendments are evaluated by SPCSA staff.

Evaluation Areas

Evaluators will only recommend approval of a requested amendment if the school:

- Meets the eligibility requirements listed above.
- Meets the requirements of the completeness check.
- Provides a plan to implement the proposed changes to the school that is both comprehensive and feasible.
- Clearly demonstrates the financial feasibility of the proposed amendment.
- Presents a sufficiently detailed timeline for the implementation of the proposed changes.

Dan Wright made a motion to approve the second amendment to the Red Hook lease agreement. Lisa Jones seconded the motion. All in favor. No one opposed. Motion carried.

- 4) Enrollment Amendment for FY26 and FY 27. Board Chair, Brett Willis, will review the enrollment amendment packet with the board to update SNTHS enrollment for this school year and next. ***For Possible Action***

Board Chair Brett Willis noted that the current agreement with the State Public Charter School Authority reflects an enrollment of 325 students for the current year. Per the terms of the agreement, the school is required to be within 10% of that enrollment, which is not currently being met.

The proposed amendment adjusts the enrollment projections to align with the board-approved budget and strategic plan. Specifically, the amendment reflects an enrollment of 257 students for the current year instead of 325, 283 students for fiscal year 2026–2027 instead of 400, 325 students for fiscal year 2027–2028 instead of 400, and 390 students for fiscal year 2028–2029 instead of 400. Kelly Gaines made a motion to approve the enrollment amendment. Rebecca Merrihew seconded. All in favor. No one opposed. Motion carried.

- 5) Update on search and hiring process for new Executive Director, Board Member, Kelly Gaines, will update the board on the search and hiring process that will begin for the new Executive Director. ***For Possible Action***

Kelly Gaines provided updates on the hiring process for the Executive Director role. The hiring process will consist of a two-tier interview approach. Candidates will first be pre-screened, followed by an initial interview with two board members. Candidates who advance will participate in a second interview with a different set of board members and Principal Candi Wadsworth. The second interview will be held on-site at the school.

Kelly Gaines also noted that a scorecard will be used by all interviewers to ensure consistent evaluation of candidates. Those results will be reviewed by the board and will select and hire the final candidate. Rebecca Merrihew made a motion to approve the hiring process discussed. Dan Wright seconded. All in favor. No one opposed. Motion carried.
